

A Gasoline Curb Earns Big Dividends

Trade comes to the man who sells gasoline at the curb. Motorists stop at his establishment to purchase many things other than gasoline.

Some kinds of gasoline pumps are expensive. This is not true of the Milwaukee line. These pumps are reasonably priced, they are handsome in appearance, and they are accurate. Good service is assured.

We shall be glad to give advice on your needs.

What the "Y" is Doing

The following is the schedule of the activities carried on by the Lihue Y. M. C. A. in the armory and in the Filipino camps of Grove Farm, Lihue Plantation and Koloa Plantation:

Monday, Wednesday, Friday and Saturday nights, Mr. Macdonald will be at the armory. Wednesday and Friday night all the pace set by Messrs. Fern, the business men of the community are urged to turn out for an evening of sports. Charlie Fern is trying to reduce and the writer knows of a number of other business men who ought to follow his example. Basket ball will do it and if you can't stand Dow, Lane, Henderson, Kuhlman and others, try the medicine ball, or indoor base-ball, volleyball or you might start on ping pong.

Tuesday and Thursday evenings the secretary will be at Lihue and at Puhī Filipino camps respectively. The armory will not be closed on Tuesday and Thursday evenings but will be in charge of a volunteer worker. There is enough equipment in the armory to afford an enjoyable evening to anyone and we want the young men of Lihue to take advantage of this splendid opportunity to make themselves physically fit and at the same time have a good time.

Various athletic contests and mass games are carried on each evening. Our equipment consists of traveling rings, roman rings, jumping standard, parallel bars, basketball and outside volleyball courts, wrestling mat, boxing gloves, phonograph, checkers, dominoes, parchese, a bucking broncho that can sure enough buck, and a rigging for pillow fights, indoor baseball and a medicine ball.

Mr. Samonte, the Filipino secretary, is doing a splendid work in Lihue camp, Hanamalu and at Koloa. Monday evening he is at Koloa, Tuesday evening at Lihue camp, Thursday evening at Puhī camp and Friday evening at Hanamalu and over at the armory Saturday evening. Mr. Samonte is employed by the Hawaiian Board of Missions but is carrying on his "Y" work as part time secretary, in addition to his work under the Hawaiian board.

The Y. M. C. A. night school is very much in existence. Monday, Tuesday, Wednesday and Thursday evenings, if you are interested in this feature of the work, drop around to the Lihue grammar school and see a group of earnest young Filipino men trying to master the English language. Then you might go into another class room and see several young men and women learning typewriting, taking shorthand and acquiring a better knowledge of the construction of English grammar. It is true that the classes are small at the present time but with the help of a few interested people the classes can be made much larger this coming school year.

The Y. M. C. A. is an auxiliary of the church. The Lihue secretary is doing his best to work in with the church program. Sunday morning he is devoting to teaching a Sunday class in the Filipino camp. It may be of interest to the readers of this article to know that there has been an average attendance of 40 young men each evening at the armory during the month of July making excellent use of the equipment as listed above. There is room for more young men however, so let's get under the "Y" here in Lihue and make it an organization of which you may be proud. It is up to you.

The secretary will do his part. Through the generosity of the Waimea Stables in renting a one and one-half ton truck to the Y. M. C. A. at a considerable reduced rate, Mr. Macdonald and Mr. Samonte were able to take a party of twenty Filipino young men of the Lihue camp on an outing to Lawai beach last Sunday. They had a great old time. In the morning a baseball game on the beach and then a swimming contest in the river kept them busy. Meanwhile the cook was preparing a dinner for a king under the big arbor near Mr. McBryde's residence. At the call of kau-kau a big rush for the table and how the good old beans, pickles, bread, pineapples and coffee did disappear. After an hour's rest under the splendid shade trees the fellows all fell in for games. An obstacle race, pass-ball, and circle-ball were the features of the afternoon's program. At the close of the athletic contests the men were gathered under the arbor for a vesper service. Mr. Macdonald talked to the men on "Faith and Loyalty." Then the trip home.

The plans are to take twenty young men on a trip of this kind to some interesting place each Sunday.

DAILY VACATION BIBLE SCHOOL

With an enrollment of one hundred and one and an average attendance of eighty-three, Kauai's Daily Vacation Bible school leads in point of numbers all such schools in the islands outside of Honolulu. That it compares most favorably in actual accomplishment with the Honolulu schools, which are in second annual session and attended by children to whom free kindergarten and other advantages have long been offered, is doubtless a

matter for even greater congratulation. It is Kauai's first attempt at directing the mental and physical activities of her heterogeneous child population during the summer vacation period and as an investment it promises tremendous dividends.

Miss Edna J. Hill, Sunday school expert of the Hawaiian Board, has directed all of the 13 schools which have been carried on this year. Lihue is fortunate in having not only her general supervision but her personal direction of the local school. She has adapted mainland methods to island conditions in a most profitable manner and the Americanization note is strongly sounded.

The series of Bible stories which brings the religious into the program, making of it a well rounded entity, centers around the home. Thus the children get an early idea of the sacredness and power of home relationships and are learning to sing "Home Sweet Home," in illustration of it. Rev. Palmer's "Fair Hawaii" is the song taught to stimulate island pride and "America the Beautiful" love of and reverence for the nation.

When stories are capable of good dramatization, this important phase of education is brought into the work. Calisthenics and memory drill work also occupy important places in the program.

Most enthusiastic reports of the hand work are given by those who have visited the school. The older boys, with saws and other tools, fairly revel in "tumbling tomies," gay plumaged birds, elephants and bears on wheels, while the girls, not to be outdone, are happily fashioning substantial doll beds, and the tiny tots, gaily colored wool balls. Great care is taken in the construction of every piece and the final painting and finishing delayed until perfection is reached.

Folly a quarter of the children have never been to school and the response from these tiny tots is most remarkable. Whole hearted singing during the assembly period and joyful participation in every part of the program are clear evidence of the reaction of the school upon the children. Attractively decorated bags are given to emphasize the value of neatness and into these the unfinished work is put from day to day. The bags together with the toys made by the children, will be their property at the close of school.

Miss Hill is ably assisted by Miss Mabel Woodnorth of Honolulu, Miss Carolyn Bissinger, Miss Jennie Johnson, Miss Taki Sano and Miss Shin Tokito.

MIDDLETON-SIMPSON—In Honolulu August 7, 1921, Robert Forney Middleton of Lihue, Kauai, and Miss Frances Eloise Simpson, Rev. Albert W. Palmer, officiating; witnesses—Mary C. Morange and Ethel Peavy.

Robert Forney Middleton of Lihue, Kauai, and Miss Frances Eloise Simpson were married at Central Union church last Sunday. The ceremony was performed by Rev. Albert W. Palmer, minister of Central Union, the witnesses to the wedding being Mary C. Morange and Ethel Peavy. Mr. Middleton, who has been in the islands the past two years and a half, is road supervisor at Lihue. Mrs. Middleton is a mainland girl and has been here the past year.
